

## Law Enforcement Exploring Center Fire Pistol Course (LEECFPC)

The course of fire will be conducted at 25 yards using the official National Rifle Association, 25-yard, timed or rapid-fire bull's-eye target (B-8) paper. The course will be fired in three stages consisting of two strings each. An Explorer will fire 10 rounds in each stage, five rounds per string from a fixed, standing position. The Explorer must fire all stages to complete this course.

Match	Range	Type Fire	Shot String	Strings Target	Possible Score
No. 1	25 yards	Striker-fire	5 Minutes	2 (5 shots)	B-8 100
No. 2	25 yards	Striker-fire	20 Seconds	2 (5 shots)	B-8 100
No. 3	25 yards	Striker-fire	10 Seconds	2 (5 shots)	B-8 100

No. 4 Aggregate Match (Unfired): The total of the scores fired in Matches 1, 2, and 3 will determine the National Champion.

No. 5 Two-Man Team Match (Unfired): The total of the scores fired by the pre-designated pairing of same Post members in Matches 1, 2, and 3.

No. 6 Four-Man Team Match (Unfired): The total of the scores fired by the pre-designated grouping of same Post members in Matches 1, 2, and 3.

All stages are fired with two hands (double-action only) from the standing position without any support to the body. Only five rounds are loaded for each string of fire. For the semiautomatic pistol, two magazines loaded with five rounds each should be used for each match: slow, timed and rapid fire. Shooters must load their own magazines on the firing line.

### Sighting Shots

Sighting shots are allowed. Each Explorer will be allowed five sighting shots prior to the commencement of Match No. 1. The values of sighting shots will not be entered as the score. The five sighting shots will be provided only before the first stage.
